AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 27th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL

THE Committee of the Privy Council have had before them a Report, dated 22nd February, 1917, from the Acting Minister of Marine and Fisheries, submitting as follows :—

That by-law 26 of the Halifax pilotage by-laws of 1893 provided for payment out of the pilotage funds of the district to the Secretary-Treasurer of the Halifax Pilot Commissioners a yearly salary of \$600 ;

That on the 5th April, 1906, an Order in Council was passed amending the said by-law 26 allowing the Secretary-Treasurer \$800 instead of \$600 per annum ;

That on the 8th April, 1906, the said Pilot Commissioners passed a resolution further amending the said by-law 26 increasing the Secretary-Treasurer's salary from \$800 to \$1,000 per annum ;

That without obtaining the necessary approval of the Governor in Council of the said amendment of the 8th April, 1910, the said Commissioners proceeded illegally to pay to the Secretary-Treasurer out of the Pilotage funds of the district the increased salary of \$1,000 per annum which they have continued to do up to the present time.

In order to legalize the payment to the Secretary-Treasurer of the said increased salary of \$1,000 per annum, the Minister recommends that the amendment to the said by-law 26 passed by the said Pilot Commissioners on the 8th April, 1910, increasing the Secretary-Treasurer's salary from \$800 to \$1,000 per annum, be approved as required by Section 431 and 433 of the Canadian Shipping Act, Chapter 113 of the Revised Statutes of Canada, 1906.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS it is provided by section 7 of The Dominion Lands Act, that no land shall be open for entry for a homestead or otherwise until it has been surveyed in accordance with the provisions of The Dominion Lands Surveys Act, and notice that it is to be open for entry upon a date to be set forth in the notice has been posted for at least thirty days in the land office for the district in which the land is situate, and has been published in at least one newspaper in that district and in one newspaper in the provincial capital.

And whereas it is also provided by regulation of the Department of the Interior that in certain cases where entries have been cancelled, or where lands which have been under reservation are released from such reservation, the lands affected shall before being made available for the general public, be posted for at least ten days in the Land Office for the district, also in the sub-office at which departmental business may be transacted for the district, and in the post office nearest to the land.

And whereas the attention of the Minister of the Interior has been drawn to the handicap experienced by returned soldiers who may be suffering to a certain extent from physical disability, when making application for entry for Dominion lands in competition with the general public ;

And whereas the Minister of the Interior is of opinion that it is desirable that provision should be made whereby any returned soldier, as hereinafter defined or specified, who desires to make application for such entry, should have priority for a period of one day from and following the hour at which land becomes available after having been advertised or posted, as

hereinafter set forth; provided, however, that any such applicant must be eligible under The Dominion Lands Act and the amendments thereto, or of regulations thereunder, for entry of the class for which he intends to make application, and, further, that he must be prepared to fulfil the settlement conditions thereby prescribed.

Therefore His Excellency the Governor General in Council under and in virtue of the provisions of section 6 of The War Measures Act, 1914, is pleased to make the following regulations and the same are hereby made and established accordingly:—

1. From and after a date to be fixed by the Minister of the Interior, wherever any parcel or parcels of Dominion lands become available for entry as hereinbefore set forth, after having been advertised or posted according to the provisions of The Dominion Lands Act, as amended, and of any regulations thereunder, a period of one office day shall be allowed, immediately following the expiry of the term of advertising or posting, during the office hours of which day the right of making entry for such parcel or parcels of Dominion lands shall be restricted to returned soldiers who have served overseas during the present war with the military or naval forces of Great Britain, or with any of the Allies of Great Britain; who have been honourably discharged therefrom, and who are present in person at the office of the local Agent for the district for the purpose of making entry. An application for entry by any of these soldiers shall be made, received and dealt with in all respects, except as herein provided, under the provisions of the said Act, as amended, and regulations then in force. Each of such returned soldiers applying for entry on the day above mentioned shall submit for the inspection of the Agent of Dominion Lands for the district in which the land so applied for is situate, his certificate of honourable discharge from military service of the nature before referred to; failing which his application for entry shall not be accepted on that day:

2. In the case of more than one returned soldier being present at the opening of the Land Office on the day above referred to, priority as between the respective applicants shall be decided under the then existing regulations in that behalf.

3. No concessions shall be extended to a returned soldier who applied for entry at the office of any sub-agent of Dominion Lands.

4. Upon the opening of the Land Office for the district, on the day immediately following the period set apart for receiving applications for entry from returned soldiers, as above set forth, the disposal of any of such parcels of land remaining unentered for, shall proceed in the manner provided for by the then existing Dominion Lands Act as amended, and regulations thereunder.

5. In the event of any question being raised as to the interpretation of any of the foregoing regulations, the Minister of the Interior is authorized to decide such question in such manner as he may deem just, having in view the circumstances of the case.

Clerk of the Privy Council.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
  - (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

## ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 20e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Au comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 février 1917, représentant que M. Samuel McCall a obtenu les inscriptions de homestead et de préemption pour la moitié est de la section 21, township 31, rang 1, à l'ouest du 3e méridien, le 1er mai 1915 ;

Le ministre ajoute que d'après les renseignements reçus il appert que M. McCall s'est présenté pour l'enrôlement dans le service militaire actif d'outre-mer et que l'officier recruteur lui a affirmé qu'il serait accepté, mais qu'avant que les papiers nécessaires aient été préparés il fut victime d'un accident qui nécessita l'amputation du bras gauche,—

Le ministre soumet la copie annexé d'un certificat médical et, en vue des faits précités, il recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, M. McCall soit exempté de toute autre obligation de résidence, afin que la patente du terrain puisse lui être délivrée dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies et que les paiements requis ont été faits.

Le comité agréé cette recommandation et la soumet pour approbation.

Greffier du Conseil privé.

Lundi, le 12<sup>e</sup> jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9 janvier 1917, représentant qu'à l'article 22 des règlements régissant l'arpentage, l'administration, la vente et la gérance des terres fédérales dans les limites de la zone de 40 milles de la province de la Colombie-Anglaise, ainsi qu'établis par arrêté en conseil du 17 septembre 1889, il est prescrit, entre autre choses, qu'une patente de homestead ne peut être émise en faveur d'une personne qui n'est pas alors sujet britannique né ou naturalisé.

Emile André Marc, réserviste français, servant actuellement avec les "Second Life Guards," corps expéditionnaire britannique en France, a demandé des lettres patentes pour son homestead, la moitié est du quart nord-ouest de la section 2, township 4, rang 5, à l'ouest du 7<sup>e</sup> méridien, et, d'après les faits établis, y a accompli ses obligations d'établissement. M. Marc est né en France et n'a pas encore été naturalisé. Il quitta la Colombie-Britannique pour prendre du service actif en août 1914. Sa femme et son enfant résident au Canada. En décembre 1914 il demanda l'émission de sa patente. Certains retards se produisirent dans l'envoi du front de sa demande de patente, et le fait qu'il n'est pas naturalisé retarde encore l'émission de cette patente. Se conformer aux prescriptions de la *Loi de naturalisation* serait risquer de nouveaux retards, ou rendre impossible la naturalisation de M. Marc tant qu'il sera en service actif.

Le Ministre croit que tout nouveau retard dans le règlement de cette affaire serait regrettable et est d'avis que la preuve de la sincérité d'intention de ce homesteader à devenir sujet britannique est établie par le fait qu'il a ainsi pris du service actif dans la guerre actuelle, et que les conditions de naturalisation au dit article 22 des règlements sont suffisamment remplies.

Le ministre représente que le département a actuellement en considération un autre cas d'émission de patente à un homesteader enrôlé dans le service, que le règlement de ce cas est retardé à cause de la nécessité de se conformer à la *Loi de naturalisation*, et que d'autres cas surgiront sans doute de temps à autre.

Par conséquent, le Ministre recommande que dans le cas de homesteaders de la zone des chemins de fer de la Colombie Britannique, en service actif pour la Grande Bretagne ou pour ses alliés et qui, en raison de ce service et de la difficulté de se conformer techniquement aux prescriptions de la *Loi de naturalisation*, ne peuvent obtenir leur patente ou que l'émission en est retardée après que sont accomplies les obligations d'établissement, il soit autorisé à se soustraire aux prescriptions du dit article 22 quant à la naturalisation avant l'émission de la patente.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,  
Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été présenté un rapport du ministre suppléant de la Marine et des Pêcheries, daté le 22 février 1917, soumettant ce qui suit :—

Que le règlement 26 des règlements de pilotage de Halifax, 1893, autorisant le paiement à même les fonds de pilotage du district, au secrétaire-trésorier des commissaires de pilotage de Halifax, d'appointements annuels de \$600.

Que le 5 avril 1906 un arrêté en conseil a été adopté qui modifiait le dit règlement 26 et accordait au secrétaire-trésorier des appointements de \$800 au lieu de \$600 par année.

Que le 8 avril 1910 les dits commissaires de pilotage ont passé une résolution modifiant le dit règlement 26 et portant les appointements du secrétaire-trésorier de \$800 à \$1,000 par année.

Que sans obtenir du Gouverneur en conseil l'approbation nécessaire de cette modification du 8 avril 1910, lesdits Commissaires ont payé illégalement au secrétaire-trésorier, à même les fonds de pilotage du district, ces appointements plus élevés de \$1,000 par année, qu'ils ont continué de payer jusqu'à ce jour.

Afin de légaliser le paiement au secrétaire-trésorier desdits appointements de \$1,000 par année, le Ministre recommande que la modification dudit règlement 26 faite par les Commissaires du pilotage le 8 avril 1910, augmentant les appointements du secrétaire-trésorier de \$800 à \$1,000 par année, soit approuvée ainsi que prescrit par les articles 431 et 433 de la Loi de la Marine marchande au Canada, chapitre 113 des statuts révisés 1906.

Le comité soumet cette recommandation pour approbation.

ATTENDU que des demandes ont été faites au Ministre de l'Intérieur de donner plus d'extension aux dispositions des arrêtés du conseil ci-après mentionnés qui, jusqu'à présent, ne protégeaient que les inscrits pour des homesteads, afin qu'elles s'appliquent aussi aux colons qui occupent des terres acquises par préemption ou par achat,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir les règlements suivants, et ces règlements sont par ces présentes établis et promulgués en conséquence :

1. Toutefois, avant que soit émise la patente d'un homestead acheté ou acquis par préemption, tous les paiements au compte du capital ou de l'intérêt seront faits conformément aux prescriptions de la *Loi des terres fédérales* et des modifications qui y ont été faites.

PRÉSENT :

## SON EXCELLENCE LE DÉPUTÉ DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'enrôlement pour le service d'outre-mer est cause que la main-d'œuvre requise pour les travaux de la ferme est devenu très rare par tout le Canada, ce qui, joint au fait qu'il y a moins de terrain assolé pour les semences, entraînera une grande diminution des cultures, à moins qu'on avise aux moyens d'améliorer les conditions ; et

Attendu qu'il est généralement admis que nombre de jeunes gens au Canada et aux Etats-Unis seraient prêts à travailler sur les fermes si le temps qu'ils mettent à ces travaux était déduit des obligations de résidence sur les homesteads pour lesquels ils se sont inscrits, vu qu'il est reconnu qu'étant à l'emploi d'un fermier bien pourvu de tout ce qui est nécessaire à l'exploitation d'une ferme ces jeunes gens contribueraient beaucoup plus à augmenter la production qu'ils ne le feraient sur leur homesteads dépourvus de stock et de machines agricoles.

Vu ce qui précède, il plaît au suppléant du Gouverneur général en conseil, sous l'empire et en vertu de l'autorité que lui confère l'article 6 de la "*Loi de 1914 des mesures de guerre*," de décréter ce qui suit et les décrets et règlements suivants sont par ces présentes décrétés en conséquence :—

Nonobstant toute disposition de la *Loi des terres fédérales* ou des modifications qui y seront faites au cours de l'année 1917, les homesteaders, ceux qui occupent des homesteads sous inscription de préemption ou qui les ont achetés et qui travailleront à la culture sur les fermes au Canada obtiendront une réduction de leurs obligations de résidence égale au temps ainsi employé

à travailler sur les fermes du pays, sujet cependant aux conditions suivantes,—

1. La période d'emploi ainsi comptée comme obligations de résidence ne pourra commencer qu'à une date subséquente à celle de l'inscription dans chaque cas.

2. Ces dispositions ne s'appliquent pas au cas de ceux qui seront sur des homesteads en vertu de procurations de homesteaders, ni au cas où l'inscrit ne sera pas employé uniquement aux travaux de la ferme.

3. Dès qu'il commencera à travailler, il sera du devoir de l'inscrit de faire parvenir aussitôt que possible à l'agent des terres fédérales du district où se trouve le terrain qui fait le sujet de son inscription une déclaration sous serment à la satisfaction du Ministre de l'Intérieur, donnant une description détaillée du terrain, la nature des travaux accomplis, où ils ont été accomplis, la date du commencement de ces travaux et leur durée probable.

4. Dans les trente jours qui suivront la date de l'expiration du terme d'emploi, date qui ne pourra en aucun cas dépasser le 1er février 1918, l'inscrit remettra à l'agent local du district une déclaration assermentée, à la satisfaction du Ministre de l'Intérieur, donnant la somme totale du temps durant lequel il a été employé aux travaux de ferme.

5. Avenant l'annulation d'une inscription par défaut de la part de l'inscrit d'en remplir les conditions, aucune des dispositions du présent décret ne pourra être invoquée pour faire droit aux réclamations de l'inscrit qui, bien qu'occupé aux travaux de la ferme en Canada tel que mentionné plus haut, n'a pas avant la date de l'annulation de son inscription fait part à l'agent des terres fédérales du fait qu'il est ainsi employé.

6. L'inscription d'une personne qui se conforme aux dispositions des présentes ne sera pas passible d'annulation au cours du terme d'emploi de l'inscrit aux travaux de la ferme, parce que cet inscrit aurait négligé de remplir les obligations de culture en rapport avec son inscription.

7. Nonobstant toutes dispositions de la *Loi des terres fédérales* et des modifications qui y sont faites les obligations de culture nécessaires à l'obtention de la patente en ces cas peuvent être remplies en deux ans au lieu de trois.

8. Le Ministre de l'Intérieur peut refuser les privilèges accordés en vertu des présentes s'il a des doutes sur la véracité des faits tels qu'établis.

RODOLPHE BOUDREAU,

## SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 11 mars 1915 il a été prescrit que vu le fait que les claims miniers dans le nord des provinces de Manitoba, Saskatchewan et Alberta, sont d'accès difficile, et qu'en vue des conditions exceptionnelles créées par la guerre il soit accordé aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord de ces provinces (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province du Manitoba, au nord de la borne sud du township 47, dans la province de la Saskatchewan, et au nord de la borne sud du township 60 dans la province d'Alberta), un délai d'un an de la date du dit arrêté en conseil pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements régissant la concession de claims de mines de quartz.

Et attendu que par un arrêté en conseil du 8 février 1916, le délai accordé par l'arrêté en conseil du 11 mars 1915 ci-dessus mentionné a été accordé pour une nouvelle période d'un an, c'est-à-dire jusqu'au 11 mars 1917 : et

Attendu qu'il a été représenté au Département de l'Intérieur que les difficultés rencontrées dans le déve-

loppement des claims miniers dans les régions nord des dites provinces n'ont pas encore complètement disparu et que les propriétaires enregistrés d'un grand nombre de claims miniers dans cette partie du pays n'ont pu accomplir sur ces claims les travaux initiaux prescrits aux règlements pour la période de délai accordé; et

Attendu que demande a été faite d'une courte période de délai additionnel pour compléter ces travaux; Par conséquent il plaît à Son Excellence le Gouverneur général en conseil, en vue des circonstances, de décréter par ces présentes ce qui suit :

Le délai accordé en vertu des prescriptions du dit arrêté en conseil du 11 mars 1915 est par ces présentes prolongé de 4 mois, c'est-à-dire jusqu'au 11 juillet 1917 inclusivement, pour que tous les claims miniers situés dans les parties ci-haut décrites des dites provinces où n'ont pas été complétés les travaux prescrits par les articles 41 et 42 des règlements régissant la concession des claims miniers de quartz sur les terres fédérales approuvés par arrêté en conseil du 13 août 1908, redeviennent, le 12 juillet 1917, propriété de la Couronne, sauf cependant, ceux de ces claims dont les propriétaires sont exemptés en vertu d'un arrêté en conseil du 28 octobre 1914 se rapportant aux propriétés minières de personnes en service actif pour la défense de l'Empire dans la guerre actuelle.

Pour tout magasinage dépassant un mois, le taux de magasinage pour une fraction de mois sera calculé comme s'il s'agissait de tout un mois.

#### Cargaison en vrac.

(d) Le magasinage de marchandises en vrac n'est pas autorisé, sauf si le fonctionnaire chargé de l'administration des quais (Superintendent) le juge à propos, et, seulement alors selon tels termes et restrictions que ce fonctionnaire pourra exiger,

Poisson en boîtes de conserves pour exportation.

(e) La gratuité en magasinage est accordée au poisson en boîtes de conserves, destiné à être exporté en Orient en Europe et en Australie ; ce magasinage gratuit ne doit pas dépasser trente jours ; s'il en était autrement on exigera après les trente jours susdits le paiement des droits réguliers de magasinage.

Marchandises consignées sur commande.

(f) Lorsque des marchandises consignées "sur commande" arrivent sans que le nom du consignataire ou ceux des personnes à qui il doit être donné avis de leur arrivée soit connu, on chargera pour ces marchandises les droits de magasinage établis pour tout laps de temps dépassant celui de la période de gratuité du magasinage.

Retard causé par la faute du voiturier ou de ses employés.

Dans la cas d'un retard causé par le personnel des douanes, les officiers des douanes devront fournir un certificat expliquant la cause du retard.

Marchandises consignées à des personnes se trouvant à cinq milles ou plus du quai.

(h) Lorsque des marchandises sont consignées à des personnes se trouvant à cinq (5) milles ou plus des quais, et auxquelles on ne peut faire parvenir promptement un avis de l'arrivée desdites marchandises, à cause d'une irrégularité du service postal ou de sa rareté, on chargera des droits de magasinage sur les marchandises après dix jours de magasinage gratuit.

Bois de construction pour exportation.

(i) Le bois de construction destiné à l'exportation et débarqué de vapeurs naviguant le long de la côte, bénéficiera de dix jours de magasinage gratuit ; après lesquels il devra payer les droits réguliers de magasinage établis.

ATTENDU que par un arrêté en conseil du 30 janvier 1914, a été autorisée la concession à la bande des sauvages de Keeseekoowenin d'un terrain de 100 acres d'étendue dans le quart nord-est de la section 15, township 19, rang 20, à l'ouest du 1er méridien, dans la réserve forestière de Riding-Mountain, en échange pour certains terrains compris dans la réserve des sauvages n° 61A, qui sont affectés par les inondations, résultant de la construction d'une digue à l'embouchure du lac Clair, pour le développement de forces hydrauliques pour la ville de Minnedosa ;

Et attendu qu'il a été constaté que le terrain qui devait être concédé aux sauvages, ainsi que décrit dans le dit arrêté en conseil, ne comprend pas le terrain réellement requis par ces sauvages.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par ces présentes que le dit arrêté en conseil du 30 janvier 1914 soit rescindé en tant qu'il concerne la description du terrain qui doit être cédé aux sauvages, et que le terrain ci-dessous décrit, de l'étendue de 100 acres, soit concédé au lieu de l'autre :

#### HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 20e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 février 1917, concernant une demande reçue du chemin de fer Canadian Northern Western pour un permis d'occu-

pation d'une partie de la rivière Sturgeon requise pour l'emplacement d'un pont, et qui est décrite comme suit :

La partie du lit de la rivière Sturgeon située dans le quart sud-est de la section 23, township 56, rang 23, à l'ouest du 4<sup>e</sup> méridien, dans la province d'Alberta, ainsi que la dite section 23 est indiquée sur un plan du dit township approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, le 13 mai 1901. Ce terrain peut être décrit plus minutieusement comme suit :

Borné au nord par la rive gauche et au sud par la rive droite de la rivière Sturgeon ; à l'est et à l'ouest par des lignes parallèles à la ligne du centre de la voie du chemin de fer Canadian Northern Western et éloignées perpendiculairement de 49.5 pieds de chaque côté de cette ligne de centre, ainsi qu'indiqué sur un plan d'arpentage du lit de la rivière et des terres adjacentes, lequel plan est signé par A. S. Weekes, arpenteur des terres fédérales, le 2 juin 1916, et déposé au Département de l'Intérieur sous le numéro 25035, et dont un duplicata est aussi déposé au bureau des titres de terre du district d'enregistrement d'Alberta-nord sous le numéro 3009 B. C. 96, le terrain ci-dessus contenant vingt-sept centièmes d'un acre plus ou moins.

Le ministre représente que l'emplacement et les plans des travaux, ainsi que soumis à la compagnie, ont été approuvés par le Département des Travaux publics conformément aux dispositions de la Loi de la protection des eaux navigables, chapitre 110 des statuts révisés de 1906, ainsi que modifiés par le chapitre 44, 9-10 Edouard VII, et que des copies de ces plans ont été déposées au Département de l'Intérieur.

Par conséquent, le Ministre demande l'autorisation d'accorder à ladite compagnie de chemin de fer Canadian Northern Western un permis d'occupation de la partie décrite ci-dessus du lit de la rivière Sturgeon. Ce permis sera pour la période durant laquelle la compagnie aura besoin du terrain pour l'exploitation de son chemin de fer ; un loyer annuel d'un dollar (\$1) sera payé au Département de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

(d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00

(e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00

(f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00

(g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00

(h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00

(i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

*Telles que révisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

## Avis de bills privés.

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 20th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th February, 1917, from the Minister of the Interior, referring to an application received from the Canadian Northern Railway for a licence of occupation of that portion of the Sturgeon river, which is required for a bridge site, and which is described as follows :—

That certain parcel or tract of land, being a part of the bed of the Sturgeon river, situate in the south-east quarter of section twenty-three, in the fifty-sixth township, in the twenty-third range, west of the fourth meridian, in the Province of Alberta, as the said township approved and confirmed by E. Deville, Surveyor General of Dominion Lands, on the 13th day of May, 1901, which said parcel may be more particularly described as follows :—

Bounded on the north by the left bank and on the south by the right bank of the Sturgeon river; and on the east and west by lines parallel to and forty-nine feet and five tenths of a foot perpendicularly distant on opposite sides of the centre line of the right of way of the Canadian Northern Western railway as the said centre line is shown upon a plan of survey across said bed and lands adjoining the same, which said plan is signed by A. S. Weekes, Dominion Land Surveyor, on the second day of June, one thousand nine hundred and sixteen, and of record in the Department of the Interior under number 25035 a duplicate whereof is on record in the Land Titles office for the North Alberta Land Registration District under number 3009 B. C. 96, the parcel herein described containing by admeasurement twenty-seven-hundredths of an acre, more or less.

The Minister states that the site and the plans of works as submitted by the company have been approved by the Department of Public Works in accordance with the provisions of the Navigation Waters Protection Act, chapter 110, R.S. 1906, as amended by chapter 44, 9-10 Edward VII, and that blue prints of these plans have been filed in the Department of the Interior;

The Minister, therefore, recommends that he be authorized to issue in favour of the said Canadian Northern Western Railway Company, a license of occupation for that portion of the bed of the Sturgeon river which is described above, the said license to be

for such time as the company may require the same in connection with the operation of the railway, and for which annual rental of one dollar (\$1) shall be paid to the Department of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS it is provided by section 7 of The Dominion Lands Act, that no land shall be open for entry for a homestead or otherwise until it has been surveyed in accordance with the provisions of The Dominion Lands Surveys Act, and notice that it is to be open for entry upon a date to be set forth in the notice has been posted for at least thirty days in the land office for the district in which the land is situate, and has been published in at least one newspaper in that district and in one newspaper in the provincial capital.

And whereas it is also provided by regulation of the Department of the Interior that in certain cases where entries have been cancelled, or where lands which have been under reservation are released from such reservation, the lands affected shall before being made available for the general public, be posted for at least ten days in the Land Office for the district, also in the sub-office at which departmental business may be transacted for the district, and in the post office nearest to the land.

And whereas the attention of the Minister of the Interior has been drawn to the handicap experienced by returned soldiers who may be suffering to a certain extent from physical disability, when making application for entry for Dominion lands in competition with the general public ;

And whereas the Minister of the Interior is of opinion that it is desirable that provision should be made whereby any returned soldier, as hereinafter defined or specified, who desires to make application for such entry, should have priority for a period of one day from and following the hour at which land becomes available after having been advertised or posted, as hereinafter set forth ; provided, however, that any such applicant must be eligible under The Dominion Lands Act and the amendments thereto, or of regulations thereunder, for entry of the class for which he intends to make application, and, further, that he must be prepared to fulfil the settlement conditions thereby prescribed.

Therefore His Excellency the Governor General in Council under and in virtue of the provisions of section 6 of The War Measures Act, 1914, is pleased to make the following regulations and the same are hereby made and established accordingly :—

1. From and after a date to be fixed by the Minister of the Interior, wherever any parcel or parcels of Dominion lands become available for entry as hereinafter set forth, after having been advertised or posted according to the provisions of The Dominion Lands Act, as amended, and of any regulations thereunder, a period of one office day shall be allowed, immediately following the expiry of the term of advertising or posting, during the office hours of which day the right of making entry for such parcel or parcels of Dominion lands shall be restricted to returned soldiers who have served overseas during the present war with the military or naval forces of Great Britain, or with any of the Allies of Great Britain; who have been honourably discharged therefrom, and who are present in person at the office of the local Agent for the district for the purpose of making entry. An application for entry by any of these soldiers

shall be made, received and dealt with in all respects, except as herein provided, under the provisions of the said Act, as amended, and regulations then in force. Each of such returned soldiers applying for entry on the day above mentioned shall submit for the inspection of the Agent of Dominion Lands for the district in which the land so applied for is situate, his certificate of honourable discharge from military service of the nature before referred to ; failing which his application for entry shall not be accepted on that day.

2. In the case of more than one returned soldier being present at the opening of the Land Office on the day above referred to, priority as between the respective applicants shall be decided under the then existing regulations in that behalf.

3. No concessions shall be extended to a returned soldier who applied for entry at the office of any sub-agent of Dominion Lands.

4. Upon the opening of the Land Office for the district, on the day immediately following the period set apart for receiving applications for entry from returned soldiers, as above set forth, the disposal of any of such parcels of land remaining unentered for, shall proceed in the manner provided for by the then existing Dominion Lands Act as amended, and regulations thereunder.

5. In the event of any question being raised as to the interpretation of any of the foregoing regulations, the Minister of the Interior is authorized to decide such question in such manner as he may deem just, having in view the circumstances of the case.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

WHEREAS by an Order in Council, dated 11th March, 1915, provision was made that, in view of the difficulties of access to mineral claims situated in the northern portions of the Provinces of Manitoba, Saskatchewan and Alberta, and the exceptional conditions brought about by the war, the recorded owners of mineral claims acquired under the regulations for the disposal of quartz mining claims situated in the northern portions of the Provinces above enumerated (that is those portions lying north of the southern boundary of township 17 in the province of Manitoba, those portions lying north of the southern boundary of township 47 in the province of Saskatchewan, and those portions lying north of the southern boundary of township 60 in the province of Alberta) be granted an extension of time for one year from the date of that Order in Council, within which to furnish evidence of the required expenditure in mining operations upon such locations, as provided by section 41 of the said regulations for the disposal of quartz mining claims; and

Whereas by an Order in Council, dated 8th February, 1916, the provisions of the Order in Council of the 11th of March, 1915, above referred to, were extended for a period of one year, that is, up to the 11th day of March, 1917; and

Whereas representations have been made to the Department of the Interior that the obstacles to the development of mineral claims in the northern portions of the above Provinces have not yet been fully removed, and that the recorded owners of a large number of mineral claims in that part of the country have been unable to perform on such claims the representation work prescribed by the regulations for the period of the extensions granted; and

Whereas applications have been made for a short additional extension of time within which to perform this work;

Therefore His Excellency the Governor General in Council, in view of all the circumstances, is pleased to order and it is hereby ordered as follows:—

The provisions of the Order in Council of the 11th of March, 1915, above referred to, are hereby extended for a period of four months, that is, up to and including the 11th day of July, 1917, so that all mineral claims in the portions of the Provinces above described, in connection with which certificates of work have not been fully obtained under the provisions of section 41 or section 42 of the regulations for the disposal of quartz mining claims on Dominion lands, approved by Order in Council of 13th August, 1908, shall on the 12th day of July, 1917, lapse and shall again become the property of the Crown, excepting, however, such claims as are entitled to the protection prescribed by the Order in Council, dated 28th October, 1914, dealing with mining properties recorded in the names of persons who have been accepted for and who continue in active service in defence of the Empire during the war.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of February, 1917.

PRESENT :

THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS owing to enlistment for overseas service there is now throughout Canada a great scarcity of farm labourers which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard ; and

Wherefore it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them ; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery ;

Therefore the Deputy Governor General in Council, in view of the foregoing, is pleased, under and by virtue of the authority conferred upon him by section 6 of The War Measures Act, 1914, to make the following Order and Regulations and the same are hereby made and enacted, accordingly :—

Notwithstanding anything contained in The Dominion Lands Act or the amendments thereto, during the remainder of the year 1917 the holders of homestead, pre-emption or purchased homestead entries who are employed as farm labourers within the Dominion of Canada allowed the period of such employment as a like per residence in connection with their respective entries, subject to the following conditions,—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the District in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of time actually spent on farm work.

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this order shall be held to confer any right or claim upon the former holder of any such entry who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

6. The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

7. Notwithstanding anything contained in The Dominion Lands Act or the amendments thereto, the cultivation required to earn patent in such cases may be performed in two years instead of three.

8. In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA  
Wednesday, the 7th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 30th January, 1914, authority was given to grant to the Keeseekoowenin's band of Indians a tract of land, one hundred acres in extent, in the northeast quarter of section 15, township 19, range 20, west of the first meridian, in the Riding Mountain Forest Reserve, in exchange for certain lands comprised in Indian Reserve, No. 61A, which are affected by flooding, owing to the construction of a dam at the outlet of Clear Lake for the development of water power for the town of Minnedosa ;

And whereas it has been ascertained that the land to be granted to the Indians, as described in the said Order in Council, does not include the land actually required by the Indians.

Therefore His Excellency the Governor General in Council is pleased to order and it is hereby ordered that the said Order in Council of the 30th January, 1914, be rescinded insofar as it affects the description of the land to be granted to the Indians, and that the land hereinafter described, comprising one hundred acres, be granted instead thereof ;

"All that portion of section 15 in township 19, range 20, west first meridian, contained within the following limits ; that is to say : Commencing at a point on the west boundary of said section 15, distant northerly thereon from the southwestern corner thereof 16 chains ; thence astronomically due east 35 chains ; thence astronomically due north 34 chains ; thence astronomically due west 16 chains ; thence astronomically due south 10 chains more or less to the northern boundary of the south half of said section 15, thence westerly along the said northern boundary of the south half of said section 15 to the northwestern corner of the southwest quarter of section 15, 19 chains more or less ; thence southerly along the western boundary of said section 15, 24 chains more or less to the place of commencement containing 100 acres."

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA  
Tuesday, the 20th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

The Committee of the Privy Council have had before them a report, dated 15th February, 1917, from the Minister of the Interior, stating that Mr. Samuel McCall was granted homestead and pre-emption entries for the East half of Section 21, Township 31, Range 1, west of the 3rd Meridian, on the 1st May, 1915 ;

The Minister further states that information has been received from which it appears that Mr. McCall tried to enlist for active military service overseas and that the recruiting officer told him he would be accepted, but that before the necessary papers were made out he met with an accident which necessitated the amputation of his left arm,—

The Minister submits the annexed copy of a medical certificate and recommends, in view of the foregoing, that further residence on the part of Mr. McCall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. McCall, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled and the required payments have been completed.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 27th day of February, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL

THE Committee of the Privy Council have had before them a Report, dated 22nd February, 1917, from the Acting Minister of Marine and Fisheries, submitting as follows:—

That by-law 26 of the Halifax pilotage by-laws of 1893 provided for payment out of the pilotage funds of the district to the Secretary-Treasurer of the Halifax Pilot Commissioners a yearly salary of \$600;

That on the 5th April, 1906, an Order in Council was passed amending the said by-law 26 allowing the Secretary-Treasurer \$800 instead of \$600 per annum;

That on the 8th April, 1906, the said Pilot Commissioners passed a resolution further amending the said by-law 26 increasing the Secretary-Treasurer's salary from \$800 to \$1,000 per annum;

That without obtaining the necessary approval of the Governor in Council of the said amendment of the 8th April, 1910, the said Commissioners proceeded illegally to pay to the Secretary-Treasurer out of the Pilotage funds of the district the increased salary of \$1,000 per annum which they have continued to do up to the present time.

In order to legalize the payment to the Secretary-Treasurer of the said increased salary of \$1,000 per annum, the Minister recommends that the amendment to the said by-law 26 passed by the said Pilot Commissioners on the 8th April, 1910, increasing the Secretary-Treasurer's salary from \$800 to \$1,000 per annum, be approved as required by Section 431 and 433 of the Canadian Shipping Act, Chapter 113 of the Revised Statutes of Canada, 1906.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

#### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1916.*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
  - (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

Mardi, le 27e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été présenté un rapport du ministre suppléant de la Marine et des Pêcheries, daté le 22 février 1917, soumettant ce qui suit :—

Que le règlement 26 des règlements de pilotage de Halifax, 1893, autorisant le paiement à même les fonds de pilotage du district, au secrétaire-trésorier des commissaires de pilotage de Halifax, d'appointements annuels de \$600.

Que le 5 avril 1906 un arrêté en conseil a été adopté qui modifiait le dit règlement 26 et accordait au secrétaire-trésorier des appointements de \$800 au lieu de \$600 par année.

Que le 8 avril 1910 les dits commissaires de pilotage ont passé une résolution modifiant le dit règlement 26 et portant les appointements du secrétaire-trésorier de \$800 à \$1,000 par année.

Que sans obtenir du Gouverneur en conseil l'approbation nécessaire de cette modification du 8 avril 1910, lesdits Commissaires ont payé illégalement au secrétaire-trésorier, à même les fonds de pilotage du district, ces appointements plus élevés de \$1,000 par année, qu'ils ont continué de payer jusqu'à ce jour.

Afin de légaliser le paiement au secrétaire-trésorier desdits appointements de \$1,000 par année, le Ministre recommande que la modification dudit règlement 26 faite par les Commissaires du pilotage le 8 avril 1910, augmentant les appointements du secrétaire-trésorier de \$800 à \$1,000 par année, soit approuvée ainsi que prescrit par les articles 431 et 433 de la Loi de la Marine marchande au Canada, chapitre 113 des statuts révisés 1906.

Le comité soumet cette recommandation pour approbation.

ATTENDU que par un arrêté en conseil du 30 janvier 1914, a été autorisée la concession à la bande des sauvages de Keeseekoowenin d'un terrain de 100 acres d'étendue dans le quart nord-est de la section 15, township 19, rang 20, à l'ouest du 1er méridien, dans la réserve forestière de Riding-Mountain, en échange pour certains terrains compris dans la réserve des sauvages n° 61A, qui sont affectés par les inondations, résultant de la construction d'une digue à l'embouchure du lac Clair, pour le développement de forces hydrauliques pour la ville de Minnedosa ;

Et attendu qu'il a été constaté que le terrain qui devait être concédé aux sauvages, ainsi que décrit dans le dit arrêté en conseil, ne comprend pas le terrain réellement requis par ces sauvages.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par ces présentes que le dit arrêté en conseil du 30 janvier 1914 soit rescindé en tant qu'il concerne la description du terrain qui doit être cédé aux sauvages, et que le terrain ci-dessous décrit, de l'étendue de 100 acres, soit concédé au lieu de l'autre :

"Toute la partie de la section 15 du township 19, rang 20, à l'ouest du 1er méridien, comprise dans les limites suivantes, savoir : commençant à un point sur la borne ouest de la dite section 15, éloigné de 16 chaînes dans une direction nord de l'angle sud-ouest de la section ; de là franc est astronomiquement 35 chaînes ; de là franc nord astronomiquement 34 chaînes ; de là franc ouest astronomiquement 16 chaînes ; de là franc sud astronomiquement 10 chaînes, plus ou moins, jusqu'à la borne nord de la moitié sud de la dite section 15 ; de là vers l'ouest le long de la dite borne nord de la moitié sud de la dite section 15 jusqu'à l'angle nord-ouest du quart sud-ouest de la section 15, 19 chaînes, plus ou moins ; de là vers le sud le long de la borne ouest de la dite section 15, 24 chaînes, plus ou moins, jusqu'au point de départ, le tout contenant 100 acres."

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que des demandes ont été faites au Ministre de l'Intérieur de donner plus d'extension aux dispositions des arrêtés du conseil ci-après mentionnés qui, jusqu'à présent, ne protégeaient que les inscrits pour des homesteads, afin qu'elles s'appliquent aussi aux colons qui occupent des terres acquises par préemption ou par achat,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir les règlements suivants, et ces règlements sont par ces présentes établis et promulgués en conséquence :

1. Les dispositions des arrêtés du conseil qui suivent, savoir : du 8 mai 1915 (C.P. 1042) ; du 20 septembre 1915 (C.P. 2150) ; du 9 décembre 1915 (C.P. 2888) ; et du 12 janvier 1916 (C.P. 33) seront applicables aux homesteads acquis par préemption ou par achat, c'est-à-dire l'exemption accordée en vertu du dit arrêté en conseil du 8 mai 1915, au sujet de l'accomplissement des obligations de résidence et de culture, au colon qui est en service ou a servi dans les forces militaires mentionnées dans cet arrêté en conseil, ainsi que défini par le dit arrêté en conseil du 20 septembre 1915 ou à ses représentants légaux d'après cet arrêté ; la protection de l'inscription de tel colon prescrite par l'arrêté en conseil du 9 décembre 1915, et le privilège accordé à tel colon relativement aux inscriptions par procuration autorisées par le dit arrêté en conseil du 12 janvier 1916.

Toutefois, avant que soit émise la patente d'un homestead acheté ou acquis par préemption, tous les paiements au compte du capital ou de l'intérêt seront faits conformément aux prescriptions de la *Loi des terres fédérales* et des modifications qui y ont été faites.

Mercredi, le 28e jour de février 1917.

PRÉSENT :

SON EXCELLENCE LE DÉPUTÉ DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'enrôlement pour le service d'outremer est cause que la main-d'œuvre requise pour les travaux de la ferme est devenu très rare par tout le Canada, ce qui, joint au fait qu'il y a moins de terrain assolé pour les semailles, entraînera une grande diminution des cultures, à moins qu'on avise aux moyens d'améliorer les conditions ; et

Attendu qu'il est généralement admis que nombre de jeunes gens au Canada et aux Etats-Unis seraient prêts à travailler sur les fermes si le temps qu'ils mettent à ces travaux était déduit des obligations de résidence sur les homesteads pour lesquels ils se sont inscrits, vu qu'il est reconnu qu'étant à l'emploi d'un fermier bien pourvu de tout ce qui est nécessaire à l'exploitation d'une ferme ces jeunes gens contribueraient beaucoup plus à augmenter la production qu'ils ne le feraient sur leur homesteads dépourvus de stock et de machines agricoles.

Vu ce qui précède, il plaît au suppléant du Gouverneur-général en conseil, sous l'empire et en vertu de l'autorité que lui confère l'article 6 de la "*Loi de 1914 des mesures de guerre*," de décréter ce qui suit et les décrets et règlements suivants sont par ces présentes décrétés en conséquence :—

Nonobstant toute disposition de la *Loi des terres fédérales* ou des modifications qui y seront faites au cours de l'année 1917, les homesteaders, ceux qui occupent des homesteads sous inscription de préemption ou qui les ont achetés et qui travailleront à la culture sur les fermes au Canada obtiendront une réduction de leurs obligations de résidence égale au temps ainsi employé

à travailler sur les fermes du pays, sujet cependant aux conditions suivantes,—

1. La période d'emploi ainsi comptée comme obligations de résidence ne pourra commencer qu'à une date subséquente à celle de l'inscription dans chaque cas.

2. Ces dispositions ne s'appliquent pas au cas de ceux qui seront sur des homesteads en vertu de procurations de homesteaders, ni au cas où l'inscrit ne sera pas employé uniquement aux travaux de la ferme.

3. Dès qu'il commencera à travailler, il sera du devoir de l'inscrit de faire parvenir aussitôt que possible à l'agent des terres fédérales du district où se trouve le terrain qui fait le sujet de son inscription une déclaration sous serment à la satisfaction du Ministre de l'Intérieur, donnant une description détaillée du terrain, la nature des travaux accomplis, où ils ont été accomplis, la date du commencement de ces travaux et leur durée probable.

4. Dans les trente jours qui suivront la date de l'expiration du terme d'emploi, date qui ne pourra en aucun cas dépasser le 1er février 1918, l'inscrit remettra à l'agent local du district une déclaration assermentée, à la satisfaction du Ministre de l'Intérieur, donnant la somme totale du temps durant lequel il a été employé aux travaux de ferme.

5. Advenant l'annulation d'une inscription par défaut de la part de l'inscrit d'en remplir les conditions, aucune des dispositions du présent décret ne pourra être invoquée pour faire droit aux réclamations de l'inscrit qui, bien qu'occupé aux travaux de la ferme en Canada tel que mentionné plus haut, n'a pas avant la date de l'annulation de son inscription fait part à l'agent des terres fédérales du fait qu'il est ainsi employé.

6. L'inscription d'une personne qui se conforme aux dispositions des présentes ne sera pas passible d'annulation au cours du terme d'emploi de l'inscrit aux travaux de la ferme, parce que cet inscrit aurait négligé de remplir les obligations de culture en rapport avec son inscription.

7. Nonobstant toutes dispositions de la *Loi des terres fédérales* et des modifications qui y sont faites les obligations de culture nécessaires à l'obtention de la patente en ces cas peuvent être remplies en deux ans au lieu de trois.

8. Le Ministre de l'Intérieur peut refuser les privilèges accordés en vertu des présentes s'il a des doutes sur la véracité des faits tels qu'établis.

Lundi, le 5e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 11 mars 1915 il a été prescrit que vu le fait que les claims miniers dans le nord des provinces de Manitoba, Saskatchewan et Alberta, sont d'accès difficile, et qu'en vue des conditions exceptionnelles créées par la guerre il soit accordé aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord de ces provinces (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province du Manitoba, au nord de la borne sud du township 47, dans la province de la Saskatchewan, et au nord de la borne sud du township 60 dans la province d'Alberta), un délai d'un an de la date du dit arrêté en conseil pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements régissant la concession de claims de mines de quartz.

Et attendu que par un arrêté en conseil du 8 février 1916, le délai accordé par l'arrêté en conseil du 11 mars 1915 ci-dessus mentionné a été accordé pour une nouvelle période d'un an, c'est-à-dire jusqu'au 11 mars 1917 : et

Attendu qu'il a été représenté au Département de l'Intérieur que les difficultés rencontrées dans le déve-

loppement des claims miniers dans les régions nord des dites provinces n'ont pas encore complètement disparu et que les propriétaires enregistrés d'un grand nombre de claims miniers dans cette partie du pays n'ont pu accomplir sur ces claims les travaux initiaux prescrits aux règlements pour la période de délai accordé; et

Attendu que demande a été faite d'une courte période de délai additionnel pour compléter ces travaux;

Par conséquent il plaît à Son Excellence le Gouverneur général en conseil, en vue des circonstances, de décréter par ces présentes ce qui suit :

Le délai accordé en vertu des prescriptions du dit arrêté en conseil du 11 mars 1915 est par ces présentes prolongé de 4 mois, c'est-à-dire jusqu'au 11 juillet 1917 inclusivement, pour que tous les claims miniers situés dans les parties ci-haut décrites des dites provinces où n'ont pas été complétés les travaux prescrits par les articles 41 et 42 des règlements régissant la concession des claims miniers de quartz sur les terres fédérales approuvés par arrêté en conseil du 13 août 1908, redeviennent, le 12 juillet 1917, propriété de la Couronne, sauf cependant, ceux de ces claims dont les propriétaires sont exemptés en vertu d'un arrêté en conseil du 28 octobre 1914 se rapportant aux propriétés minières de personnes en service actif pour la défense de l'Empire dans la guerre actuelle.

Et attendu que les dits règlements ont été soumis au Département de la Justice pour avis quant à leur légalité, et que ce département a fait rapport qu'il n'y avait aucune objection légale à leur approbation;

#### PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 février 1917, concernant une demande reçue du chemin de fer Canadian Northern Western pour un permis d'occupation d'une partie de la rivière Sturgeon requise pour l'emplacement d'un pont, et qui est décrite comme suit :

La partie du lit de la rivière Sturgeon située dans le quart sud-est de la section 23, township 56, rang 23, à l'ouest du 4e méridien, dans la province d'Alberta, ainsi que la dite section 23 est indiquée sur un plan du dit township approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, le 13 mai 1901. Ce terrain peut être décrit plus minutieusement comme suit :

Borné au nord par la rive gauche et au sud par la rive droite de la rivière Sturgeon ; à l'est et à l'ouest par des lignes parallèles à la ligne du centre de la voie du chemin de fer Canadian Northern Western et éloignées perpendiculairement de 49.5 pieds de chaque côté de cette ligne de centre, ainsi qu'indiqué sur un plan d'arpentage du lit de la rivière et des terres adjacentes, lequel plan est signé par A. S. Weekes, arpenteur des terres fédérales, le 2 juin 1916, et déposé au Département de l'Intérieur sous le numéro 25035, et dont un duplicata est aussi déposé au bureau des titres de terre du district d'enregistrement d'Alberta-nord sous le numéro 3009 B. C. 96, le terrain ci-dessus contenant vingt-sept centièmes d'un acre plus ou moins.

Le ministre représente que l'emplacement et les plans des travaux, ainsi que soumis à la compagnie, ont été approuvés par le Département des Travaux publics conformément aux dispositions de la Loi de la protection des eaux navigables, chapitre 110 des statuts révisés de 1906, ainsi que modifiés par le chapitre 44, 9-10 Edouard VII, et que des copies de ces plans ont été déposées au Département de l'Intérieur.

Par conséquent, le Ministre demande l'autorisation d'accorder à ladite compagnie de chemin de fer Canadian Northern Western un permis d'occupation de la partie décrite ci-dessus du lit de la rivière Sturgeon. Ce permis sera pour la période durant laquelle la compagnie aura besoin du terrain pour l'exploitation de son chemin de fer ; un loyer annuel d'un dollar (\$1) sera payé au Département de l'Intérieur.

Le comité agréé cette recommandation et la soumet pour approbation.

Le ministre ajoute que d'après les renseignements reçus il appert que M. McCall s'est présenté pour l'enrôlement dans le service militaire actif d'outre-mer et que l'officier recruteur lui a affirmé qu'il serait accepté, mais qu'avant que les papiers nécessaires aient été préparés il fut victime d'un accident qui nécessita l'amputation du bras gauche,—

Le ministre soumet la copie annexé d'un certificat médical et, en vue des faits précités, il recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, M. ## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- |  |          |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième.....      | 100 00   |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00   |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000.....                          | 100 00   |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00   |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00   |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00   |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000.....                      | 400 00   |
| (i) Pour chaque million ou fraction de million de dollars additionnel....  | 100 00   |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

#### RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. 4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,  
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débetures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

## SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

## Avis de bills privés.

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Ayant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

**W**HEREAS by reason of the exigencies of the war it is expedient and necessary in the public interest that The Expropriation Act, R.S.C. 1906, chapter 143, be enlarged and amended in the manner herein-after set forth,—

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of The War Measures Act, 1914, is pleased to order that legislative effect be given as follows :—

## ARRÊTÉ EN CONSEIL.

[757]

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 17e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

**A**TENDU qu'en raison des exigences de la guerre il est opportun et nécessaire dans l'intérêt public d'ajouter à la *Loi des expropriations*, S.R.C., 1906, chapitre 143, et de la modifier de la manière ci-dessous exposée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de la *Loi des mesures de guerre*, 1914, de décréter que ce qui suit ait force de loi :—

(1) Aux fins de l'expropriation pendant la présente guerre, et pour une raison quelconque en résultant de propriétés mobilières ou immobilières en rapport avec une fabrique d'armes ou de munitions ou requises, employées ou possédées en rapport avec une telle fabrique, ses machines ou son outillage ou autres fabriques, usines, machines ou outillage quelconques qui sont exploités comme industries actives la *Loi des expropriations* s'étendra et s'appliquera, mais sujet à toutes les dispositions de la dite loi, non seulement à la prise de possession et l'acquisition du terrain, si c'est l'intention qu'il soit acquis, mais aussi de tous bâtiments, dépendances, machines, outillage, matériaux, appareils, fournitures, marchandises, effets mobiliers, droits de contrat, acquis ou à venir, choses en action et biens meubles de toute description possédés, acquis, employés, appropriés ou destinés à l'usage ou à la consommation, ou en rapport avec les fins de telles fabriques, machines ou outillage ainsi que susdit, ou l'exploitation ou l'industrie jusque-là exercée ou qu'on a l'intention d'exercer dans ou sur ou en rapport avec ces fabriques, usines, machines ou outillage, et aussi pleinement et efficacement à toutes fins et intentions que s'ils étaient spécifiés comme étant compris dans la définition de "terrains" et "immeubles" dans la dite loi.

(2) Une déclaration, dans le décret du Gouverneur général en conseil autorisant la prise de possession de

any such property as aforesaid to the effect that the property is taken for a reason arising out of the present war, shall be conclusive of the fact.

(3) It shall not be necessary in any such case as aforesaid that the land intended to be taken shall be laid off or described by metes and bounds, and it shall be sufficient, in lieu of the deposit of a plan and description of the land or property intended to be taken, that a certified copy of the Order of the Governor in Council authorizing the taking, in which shall be embodied a description specifying or describing with reasonable certainty by reference or otherwise all the property both real and personal intended to be taken, shall be deposited at the registry office, and all the property thereby so specified or described shall by such deposit thereupon become and remain vested in His Majesty, saving the lawful claim to compensation of any person interested therein; provided that if by the said Order in Council a time be specified as to which the vesting pursuant to deposit of a certified copy thereof shall be deemed to take effect, then the deposit of such certified copy shall operate to vest the property, both real and personal, as of the time so specified, rather than as of the actual time of the deposit of the said certified copy.

(4) In determining or assessing the compensation for the taking of such land and personal property as hereinbefore mentioned or described no allowance of any percentage or bonus, whether or not customary or usually allowed in expropriation cases, shall be made to compensate for or to represent elements of value, loss or damage, whether in proof or not, in addition to the actual value of the property taken to the persons interested therein at the time of the vesting thereof in His Majesty; and moreover if by the Order of the Governor General in Council authorizing the taking it be declared that the compensation which may be allowed for the premises taken or any part thereof shall not exceed an amount thereby specified, (which may be a nominal sum), then the right to compensation of the persons interested in the premises shall be accordingly limited so that the compensation recoverable shall not exceed the amount thus specified.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

40-2

toute propriété, à l'effet que cette propriété est expropriée pour une raison résultant de la présente guerre, sera preuve du fait.

(3) Il ne sera nécessaire, en aucun des cas susdits, que le terrain qu'on a l'intention d'exproprier soit borné ou décrit par tenants et aboutissants, et il sera suffisant qu'au lieu d'un plan et d'une description du terrain ou de la propriété à exproprier il soit déposé au bureau d'enregistrement une copie certifiée du décret du Gouverneur en conseil autorisant la prise de possession, à laquelle sera ajoutée une description spécifiant ou décrivant avec exactitude raisonnable, par référence ou autrement, toute la propriété mobilière ou immobilière à exproprier, et du fait que la dite copie a ainsi été déposée, toute la propriété qui y a été décrite deviendra immédiatement et restera propriété de Sa Majesté, sujet à la réclamation légitime pour indemnité de tout intéressé; pourvu toutefois que si par le dit décret du conseil il est spécifié une date où la prise de possession sera censée être faite sur dépôt d'une copie certifiée, le dépôt de cette copie certifiée aura alors pour effet de transmettre la propriété, mobilière ou immobilière, à la date ainsi spécifiée plutôt qu'à la date réelle du dépôt de la dite copie certifiée.

(4) En déterminant ou fixant l'indemnité pour la prise de possession de tel terrain ou de tels meubles et immeubles ci-dessus mentionnés ou décrits, on n'allouera aucun pourcentage ou boni, que cela se fasse ordinairement ou non dans les cas d'expropriation, à titre d'indemnité ou compensation pour valeurs, pertes ou dommages, que la preuve en soit établie ou non, en outre de la valeur réelle de la propriété expropriée, aux personnes ayant des intérêts dans cette propriété à l'époque où elle a été transportée à Sa Majesté; et, de plus, si par le décret du Gouverneur général en conseil autorisant l'expropriation il est déclaré que l'indemnité pour la prise de possession de la dite propriété ou de partie d'icelle n'excèdera pas un montant qui y est spécifié (ce qui peut être une somme nominale), le droit à compensation des personnes intéressées sera en conséquence limité de manière à ce que l'indemnité recouvrable n'excède pas le montant ainsi spécifié.

Greffier du Conseil privé.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS owing to enlistment for overseas service there is now throughout Canada a great scarcity of farm labourers which, coupled with the diminution of land prepared for seed, will result in greatly decreased acreage under cultivation unless steps are taken to improve the condition in this regard ; and

Whereas it is believed that there are in Canada and the United States many young men who would work as farm labourers if the time so spent were allowed to count as residence upon homesteads entered for by them ; it being recognized that by working for a farmer who has all necessary stock and machinery, young men of the class mentioned would help to augment the agricultural output to a much greater extent than if they spent their time on their homesteads hampered by lack of stock or machinery ;

Therefore the Governor General in Council, in view of the foregoing and under and by virtue of the authority conferred upon him by The War Measures Act, 1914, is pleased to order that the Regulations for the survey, administration, disposal and management of Dominion lands within the 40-mile Railway Belt of the Province of British Columbia as established by Order in Council of the 17th day of September, 1889, and amendments thereto, shall be and the same are hereby further amended as follows ;—

Notwithstanding anything contained in the said regulations or the amendments thereto, during the remainder of the year 1917, the holders of homestead entries who are employed as farm labourers within the Dominion of Canada may be allowed the period of such employment as a like period of residence in connection with their respective entries, subject to the following conditions—

1. The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

3. As soon as possible after the entrant commences work, it shall be his duty to forward to the Agent of Dominion Lands for the District in which his land is situated, sworn evidence satisfactory to the Minister of the Interior giving particulars of the land held under entry, the nature of the work performed, where performed, date of commencement, and probable duration.

4. Within thirty days after the term of employment has expired, and in any case, not later than the 1st of February, 1918, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of time actually spent on farm work.

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this order shall be held to confer any right or claim upon the former holder of any such entry who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

6. The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

7. Notwithstanding anything contained in the said regulations, or the amendments thereto, the cultivation required to earn patent in such cases may be performed in two years instead of three.

8. In any case in which the Minister of Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.

Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by reason of the exigencies of the war it is expedient and necessary in the public interest that The Expropriation Act, R.S.C. 1906, chapter 143, be enlarged and amended in the manner hereinafter set forth,—

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of The War Measures Act, 1914, is pleased to order that legislative effect be given as follows:—

(1) For the purpose of the compulsory taking, during and for any reason arising out of, the present war, of any property real or personal belonging or appurtenant to, or acquired, had, used or possessed in connection with any arms or munitions factory, machinery or plant, or other factory, mills, machinery or plant whatsoever which is being operated as a going concern, The Expropriation Act shall, subject to all the provisions thereof, extend and apply not only to the taking and acquisition of the land, if any intended to be taken, but also to all buildings, fixtures, machinery, plant, tools, materials, appliances, supplies, goods, chattels, contract rights, accrued or accruing, choses in action and personal property of any description whatsoever possessed, acquired, had, owned, used, appropriated or intended for use or consumption for, or in connection with or for any of the purposes of any such factory, mills, machinery or plant as aforesaid, or the operations or business theretofore carried on or intended to be carried on in or about or in connection with the same, and as fully and effectually to all intents and purposes as if the same were specified as included in the definition of land under the said Act.

(2) A recital or declaration in the order of the Governor General in Council authorizing the taking of any such property as aforesaid to the effect that the property is taken for a reason arising out of the present war, shall be conclusive of the fact.

(3) It shall not be necessary in any such case as aforesaid that the land intended to be taken shall be laid off or described by metes and bounds, and it shall be sufficient, in lieu of the deposit of a plan and description of the land or property intended to be taken, that a certified copy of the Order of the Governor in Council authorizing the taking, in which shall be embodied a description specifying or describing with reasonable certainty by reference or otherwise all the property both real and personal intended to be taken, shall be deposited at the registry office, and all the property thereby so specified or described shall by such deposit thereupon become and remain vested in His Majesty, saving the lawful claim to compensation of any person interested therein; provided that if by the said Order in Council a time be specified as to which the vesting pursuant to deposit of a certified copy thereof shall be deemed to take effect, then the deposit of such certified copy shall operate to vest the property, both real and personal, as of the time so specified, rather than as of the actual time of the deposit of the said certified copy.

(4) In determining or assessing the compensation for the taking of such land and personal property as hereinbefore mentioned or described no allowance of any percentage or bonus, whether or not customary or usually allowed in expropriation cases, shall be made to compensate for or to represent elements of value, loss or damage, whether in proof or not, in addition to the actual value of the property taken to the persons interested therein at the time of the vesting thereof in His Majesty; and moreover if by the Order of the Governor General in Council authorizing the taking it be declared that the compensation which may be allowed for the premises taken or any

part thereof shall not exceed an amount thereby specified, (which may be a nominal sum), then the right to compensation of the persons interested in the premises shall be accordingly limited so that the compensation recoverable shall not exceed the amount thus specified.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 16th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL

THE Committee of the Privy Council have had before them a Report, dated 8th March, 1917, from the Minister of the Interior, submitting that by an order in Council dated the 29th November, 1916, he was authorized to issue a lease of Lot numbered 28 of Grand Rapids Settlement, in the Province of Manitoba, to Mr. A. W. Notman, of Grand Rapids aforesaid, Mr. Notman having, with certain half-breeds and others, been in occupation of the various lots in the said Settlement for several years.

The Minister states that Mr. Notman has represented to the Department of the Interior that he desires the land in question for a permanent home.

The Minister, therefore, is of the opinion that Mr. Notman's application to purchase the land outright for the sum of \$10 should be given favourable consideration, this action having been taken respecting certain other white settlers in the said Settlement.

The Minister, therefore, recommends that he be authorized to sell said Lot numbered 28 of Grand Rapids Settlement, in the Province of Manitoba, to Mr. Notman for the sum of \$10.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL

THE Committee of the Privy Council have had before them a report, dated 14th March, 1917, from the Minister of the Interior, stating that application has been made by the Council of the Town of Maple Creek, for permission to acquire the land necessary for the right of way of a pipe line across the southwest quarter of Section 29, Township 10, Range 25, west of the 3rd Meridian in connection with the water works system of the Town.

The Minister further states that under the provisions of The Irrigation Act land required for the right of way of a pipe line for the conveyance of water may be acquired in the same way as land required for railway purposes under the provisions of the Railway Act, that is to say, on such terms as the Governor in Council may prescribe.

The practice in such cases is to have the land applied for inspected and valued, and then to seek the consent of the Governor in Council for the sale of the land required to the applicant at the price determined by valuation.

In the present instance the land applied for, comprising 2.54 acres, has been valued by Inspector J. F. Drew at \$10.00 per acre.

The Minister recommends, therefore, that authority be given to sell to the Council of the Town of Maple Creek, the 2.54 acres of land required for the right of way of the pipe line through the southwest quarter of Section 29, Township 10, Range 25, west of the 3rd Meridian, at the rate of \$10.00 per acre, the land in question, being shown coloured pink on the plan hereto attached.

The Committee concur in the foregoing recommendation and submit the same for approval.

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of the War Measures Act, 1914, is pleased to make the following regulations and the same are hereby made and enacted accordingly:

1. The terms and provisions of the following Orders in Council, viz: of the 8th May, 1915, (P.C. 1042); the 20th September, 1915, (P.C. 2150); the 9th December, 1915, (P.C. 2888); and the 12th January, 1916, (P.C. 33), shall be applicable to pre-emptions and purchased homesteads, that is to say, the relief which may be granted under the authority of the said Order in Council of the 8th May, 1915, with respect to the further residence upon or further cultivation of his homestead to any homesteader who is or has been a member of any of the military forces mentioned or referred to in that Order in Council as defined by the said Order in Council of the 20th September, 1915, or to his legal representatives in such order; the protection of the entry of any such homesteader provided for by the said Order in Council of the 9th December, 1915, and the benefit afforded to any such homesteader by the amendment of the regulations as to entries by proxy authorized by the said Order in Council of the 12th January, 1916.

Provided always that in all cases, before a patent is issued for a pre-emption or purchased homestead, all payments of principal and interest shall be made and completed as prescribed by the Dominion Lands Act and the amendments thereto.

[561]  
AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 5th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL  
IN COUNCIL.

WHEREAS it is provided by section 7 of The Dominion Lands Act, that no land shall be open for entry for a homestead or otherwise until it has been surveyed in accordance with the provisions of The Dominion Lands Surveys Act, and notice that it is to be open for entry upon a date to be set forth in the notice has been posted for at least thirty days in the land office for the district in which the land is situate, and has been published in at least one newspaper in that district and in one newspaper in the provincial capital.

And whereas it is also provided by regulation of the Department of the Interior that in certain cases where entries have been cancelled, or where lands which have been under reservation are released from such reservation, the lands affected shall before being made available for the general public, be posted for at least ten days in the Land Office for the district, also in the sub-office at which departmental business may be transacted for the district, and in the post office nearest to the land.

And whereas the attention of the Minister of the Interior has been drawn to the handicap experienced by returned soldiers who may be suffering to a certain extent from physical disability, when making application for entry for Dominion lands in competition with the general public;

And whereas the Minister of the Interior is of opinion that it is desirable that provision should be made whereby any returned soldier, as hereinafter defined or specified, who desires to make application for such entry, should have priority for a period of one day from and following the hour at which land becomes available after having been advertised or posted, as hereinafter set forth; provided, however, that any such applicant must be eligible under The Dominion Lands Act and the amendments thereto, or of regulations thereunder, for entry of the class for which he intends to make application, and, further, that he must be prepared to fulfil the settlement conditions thereby prescribed.

Therefore His Excellency the Governor General in Council under and in virtue of the provisions of section 6 of The War Measures Act, 1914, is pleased to make the following regulations and the same are hereby made and established accordingly:—

1. From and after a date to be fixed by the Minister of the Interior, wherever any parcel or parcels of Dominion lands become available for entry as hereinbefore set forth, after having been advertised or posted according to the provisions of The Dominion Lands Act, as amended, and of any regulations thereunder, a period of one office day shall be allowed, immediately following the expiry of the term of advertising or posting, during the office hours of which day the right of making entry for such parcel or parcels of Dominion lands shall be restricted to returned soldiers who have served overseas during the present war with the military or naval forces of Great Britain, or with any of the Allies of Great Britain; who have been honourably discharged therefrom, and who are present in person at the office of the local Agent for the district for the purpose of making entry. An application for entry by any of these soldiers shall be made, received and dealt with in all respects, except as herein provided, under the provisions of the said Act, as amended, and regulations then in force. Each of such returned soldiers applying for entry on the day above mentioned shall submit for the inspection of the Agent of Dominion Lands for the district in which the land so applied for is situate, his certificate of honourable discharge from military service of the nature before referred to; failing which his application for entry shall not be accepted on that day.

2. In the case of more than one returned soldier being present at the opening of the Land Office on the day above referred to, priority as between the respec-

tive applicants shall be decided under the then existing regulations in that behalf.

3. No concessions shall be extended to a returned soldier who applied for entry at the office of any sub-agent of Dominion Lands.

4. Upon the opening of the Land Office for the district, on the day immediately following the period set apart for receiving applications for entry from returned soldiers, as above set forth, the disposal of any of such parcels of land remaining unentered for, shall proceed in the manner provided for by the then existing Dominion Lands Act as amended, and regulations thereunder.

5. In the event of any question being raised as to the interpretation of any of the foregoing regulations, the Minister of the Interior is authorized to decide such question in such manner as he may deem just, having in view the circumstances of the case.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
  - (a) The respondent's residence at the time of sending such notice.
  - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

*De M. Long, au Gouverneur général.*

LONDRES,

8 mars 1917.

VEUILLEZ prévenir vos ministres que le gouvernement de Sa Majesté a décidé que tous les officiers et hommes mourant en ce pays seront enterrés dans des fosses séparées aux frais du gouvernement impérial. Le terrain requis pour cette fin sera acheté à perpétuité avec les fonds de l'armée impériale, et l'on prendra le plus grand soin des tombeaux. Je suis sous l'impression que c'est le désir unanime en ce pays que le gouvernement de Sa Majesté ait l'honneur de s'occuper de ce soin et qu'il puisse s'assurer que le dernier lieu de repos de ces soldats du Dominion ne soit pas indigne de leurs sacrifices et de la cause pour laquelle ils ont donné leur vie.

[Signé.]

LONG.

*Da Gouverneur général à M. Walter H. Long.*

OTTAWA, 17 mars 1917.

(Télégramme.)

RELATIVEMENT à votre télégramme du 8 mars, mon gouvernement, pour lui-même et au nom de nos soldats d'outre-mer et du peuple du Canada tout entier, désire exprimer sa reconnaissance pour le beau geste qu'a eu le gouvernement de Sa Majesté en proposant que tous les officiers et soldats du Dominion mourant dans le Royaume-Uni soient enterrés dans des fosses séparées. Aucune chose ne pouvait toucher plus profondément le cœur des Canadiens et le fait de savoir que les tombeaux de nos soldats d'outre-mer sont sous les soins perpétuels de la mère-patrie constituera un gage inaltérable des relations étroites de famille qui existent entre nous.

## ARRÊTÉS EN CONSEIL.

[686]

HÔTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 16e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été présenté un rapport du Ministre de l'Intérieur, daté le 8 mars 1917, soumettant que par un arrêté en conseil du 29 novembre il a été autorisé à céder à M. A. W. Notman, de Grand Rapids, dans la province de Manitoba, un bail du lot numéro 28, de l'établissement de Grand Rapids susdit, M. Notman ayant occupé depuis plusieurs années, avec certains métis et autres, les divers lots dudit établissement.

Le ministre déclare que M. Notman a manifesté au Département de l'Intérieur son désir de s'établir en permanence sur ledit terrain.

Par conséquent, le ministre est d'avis que soit accordée la demande de M. Notman d'acheter immédiatement le terrain en question pour la somme de dix dollars, considérant que cela a déjà été fait pour certains autres colons de race blanche dans ledit établissement.

Le ministre demande par conséquent l'autorisation de vendre à M. Notman, pour la somme de dix dollars, ledit lot numéro 28, de l'établissement de Grand Rapids, dans la province de Manitoba.

Le comité agréé cette recommandation et la soumet pour approbation.

HÔTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 20e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté du 14 mars 1917, déclarant que le conseil de la ville de Maple Creek a demandé la permission d'acquérir le terrain nécessaire pour le passage d'une conduite d'eau à travers le quart sud-ouest de la section 29, township 10, rang 25, à l'ouest du 3e méridien, en rapport avec l'aqueduc de la ville ;

Le Ministre déclare de plus que sous l'empire des dispositions de la *Loi de l'irrigation* le terrain pour le passage d'une conduite d'eau peut être acquis de la même manière que le terrain requis pour des fins de chemin de fer, en vertu des dispositions de la *Loi des chemins de fer*, soit à telles conditions que le Gouverneur en conseil peut prescrire.

La pratique dans ces cas est de faire inspecter et évaluer le terrain demandé, et d'obtenir ensuite le consentement du Gouverneur en conseil à la vente au requérant du terrain requis au prix déterminé par l'évaluation.

Dans le cas présent le terrain demandé, comprenant 2.54 acres, a été évalué à \$10.00 l'acre par l'inspecteur J. F. Drew.

Par conséquent, le Ministre demande l'autorisation de vendre au Conseil de la ville de Maple Creek les 2.54 acres de terrain requis pour le passage de la conduite d'eau à travers le quart sud-ouest de la section 29, township 10, rang 25, à l'ouest du 3e méridien, au prix de \$10.00 l'acre ; le terrain en question est coloré rose sur le plan ci-annexé.

Le comité agréé cette recommandation et la soumet pour approbation.

Le sous-ministre de la Marine et des Pêcheries a approuvé lesdits règlements en se basant sur le rapport des fonctionnaires techniques du département, le sous-ministre de la Justice étant d'avis qu'il n'y a aucune objection légale à leur approbation ;

# HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 17e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU qu'en raison des exigences de la guerre il est opportun et nécessaire dans l'intérêt public d'ajouter à la *Loi des expropriations*, S.R.C., 1906, chapitre 143, et de la modifier de la manière ci-dessous exposée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, de décréter que ce qui suit ait force de loi :—

(1) Aux fins de l'expropriation pendant la présente guerre, et pour une raison quelconque en résultant de propriétés mobilières ou immobilières en rapport avec une fabrique d'armes ou de munitions ou requises, employées ou possédées en rapport avec une telle fabrique, ses machines ou son outillage ou autres fabriques, usines, machines ou outillage quelconques qui sont exploités comme industries actives la *Loi des expropriations* s'étendra et s'appliquera, mais sujet à toutes les dispositions de la dite loi, non seulement à la prise de possession et l'acquisition du terrain, si c'est l'intention qu'il soit acquis, mais aussi de tous bâtiments, dépendances, machines, outillage, matériaux, appareils, fournitures, marchandises, effets mobiliers, droits de contrat, acquis ou à venir, choses en action et biens meubles de toute description possédés, acquis, employés, appropriés ou destinés à l'usage ou à la consommation, ou en rapport avec les fins de telles fabriques, machines ou outillage ainsi que susdit, ou l'exploitation ou l'industrie jusque-là exercée ou qu'on a l'intention d'exercer dans ou sur ou en rapport avec ces fabriques, usines, machines ou outillage, et aussi pleinement et efficacement à toutes fins et intentions que s'ils étaient spécifiés comme étant compris dans la définition de "terrains" et "immeubles" dans la dite loi.

(2) Une déclaration, dans le décret du Gouverneur général en conseil autorisant la prise de possession de toute propriété, à l'effet que cette propriété est expropriée pour une raison résultant de la présente guerre, sera preuve du fait.

(3) Il ne sera nécessaire, en aucun des cas susdits, que le terrain qu'on a l'intention d'exproprier soit borné ou décrit par tenants et aboutissants, et il sera suffisant qu'au lieu d'un plan et d'une description du terrain ou de la propriété à exproprier il soit déposé au bureau d'enregistrement une copie certifiée du décret du Gouverneur en conseil autorisant la prise de possession, à laquelle sera ajoutée une description spécifiant ou décrivant avec exactitude raisonnable, par référence ou autrement, toute la propriété mobilière ou immobilière à exproprier, et du fait que la dite copie a ainsi été déposée, toute la propriété qui y a été décrite deviendra immédiatement et restera propriété de Sa Majesté, sujet à la réclamation légitime pour indemnité de tout intéressé ; pourvu toutefois que si par le dit décret du conseil il est spécifié une date où la prise de possession sera censée être faite sur dépôt d'une copie certifiée, le dépôt de cette copie certifiée aura alors pour effet de transmettre la propriété, mobilière ou immobilière, à la date ainsi spécifiée plutôt qu'à la date réelle du dépôt de la dite copie certifiée.

(4) En déterminant ou fixant l'indemnité pour la prise de possession de tel terrain ou de tels meubles et immeubles ci-dessus mentionnés ou décrits, on n'allouera aucun pourcentage ou boni, que cela se fasse ordinairement ou non dans les cas d'expropriation, à titre d'indemnité ou compensation pour valeurs, pertes ou dommages, que la preuve en soit établie ou non, en outre de la valeur réelle de la propriété expropriée, aux personnes ayant des intérêts dans cette propriété à l'époque où elle a été transportée à Sa Majesté ; et, de plus, si par le décret du Gouverneur général en conseil autorisant l'expropriation il est déclaré que l'indemnité pour la prise de pos-

session de la dite propriété ou de partie d'icelle n'excèdera pas un montant qui y est spécifié (ce qui peut être une somme nominale), le droit à compensation des personnes intéressées sera en conséquence limité de manière à ce que l'indemnité recouvrable n'excède pas le montant ainsi spécifié.

Samedi, le 17e jour de mars 1917.

PRÉSENT :

SON EXCELLENCE LE DÉPUTÉ DU GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que l'enrôlement pour le service d'outre-mer est cause que la main-d'œuvre requise pour les travaux de la ferme est devenu très rare par tout le Canada, ce qui, joint au fait qu'il y a moins de terrain assolé pour les semailles, entraînera une grande diminution des cultures, à moins qu'on avise aux moyens d'améliorer les conditions ; et

Attendu qu'il est généralement admis que nombre de jeunes gens au Canada et aux Etats-Unis seraient prêts à travailler sur les fermes si le temps qu'ils mettent à ces travaux était déduit des obligations de résidence sur les homesteads pour lesquels ils se sont inscrits, vu qu'il est reconnu qu'étant à l'emploi d'un fermier bien pourvu de tout ce qui est nécessaire à l'exploitation d'une ferme ces jeunes gens contribueraient beaucoup plus à augmenter la production qu'ils ne le feraient sur leur homesteads dépourvus de stock et de machines agricoles.

En vue de ce qui précède et en vertu de l'autorité que lui confère la *Loi des mesures de guerre, 1914*, il plaît au Gouverneur général en conseil de décréter que les règlements concernant l'arpentage, l'administration et la concession des terres fédérales situées dans les limites de la zone de quarante milles des chemins de fer de la province de la Colombie-Britannique, règlements établis par un arrêté en conseil du 17 septembre 1889, ainsi que des amendements aux dits règlements, soient par ces présentes modifiés de nouveau comme suit :

Nonobstant toute disposition des dits règlements ou des modifications qui y ont été faites les inscrits pour des homesteads qui, pendant le reste de l'année 1917, sont employés comme employés de ferme au Canada peuvent obtenir une réduction de leurs obligations de résidence égale au temps pendant lequel ils ont été ainsi employés sur les fermes du pays, sujet cependant aux conditions suivantes :

1. La période d'emploi ainsi comptée comme obligations de résidence ne pourra commencer qu'à une date subséquente à celle de l'inscription dans chaque cas.

2. Ces dispositions ne s'appliquent pas au cas de ceux qui seront sur des homesteads en vertu de procurations de homesteaders, ni au cas où l'inscrit ne sera pas employé uniquement aux travaux de la ferme.

3. Dès qu'il commencera à travailler, il sera du devoir de l'inscrit de faire parvenir aussitôt que possible à l'agent des terres fédérales du district où se trouve le terrain qui fait le sujet de son inscription une déclaration sous serment à la satisfaction du Ministre de l'Intérieur, donnant une description détaillée du terrain, la nature des travaux accomplis, où ils ont été accomplis, la date du commencement de ces travaux et leur durée probable.

4. Dans les trente jours qui suivront la date de l'expiration du terme d'emploi, date qui ne pourra en aucun cas dépasser le 1er février 1918, l'inscrit remettra à l'agent local du district une déclaration assermentée, à la satisfaction du Ministre de l'Intérieur, donnant la somme totale du temps durant lequel il a été employé aux travaux de ferme.

5. Advenant l'annulation d'une inscription par défaut de la part de l'inscrit d'en remplir les conditions, aucune des dispositions du présent décret ne pourra être invoquée pour faire droit aux réclamations de l'inscrit qui, bien qu'occupé aux travaux de la ferme en Canada tel que mentionné plus haut, n'a pas avant la date de l'annulation de son inscription fait part à l'agent des terres fédérales du fait qu'il est ainsi employé.

6. L'inscription d'une personne qui se conforme aux dispositions des présentes ne sera pas passible d'annulation au cours du terme d'emploi de l'inscrit aux travaux de la ferme, parce que cet inscrit aurait négligé de remplir les obligations de culture en rapport avec son inscription.

7. Nonobstant toutes dispositions des présents règlements et des modifications qui y sont faites les obligations de culture nécessaires à l'obtention de la patente en ces cas peuvent être remplies en deux ans au lieu de trois.

8. Le Ministre de l'Intérieur peut refuser les privilèges accordés en vertu des présentes s'il a des doutes sur la véracité des faits tels qu'établis.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que par un arrêté en conseil du 11 mars 1915 il a été prescrit que vu le fait que les claims miniers dans le nord des provinces de Manitoba, Saskatchewan et Alberta, sont d'accès difficile, et qu'en vue des conditions exceptionnelles créées par la guerre il soit accordé aux propriétaires enregistrés de claims miniers, acquis sous l'empire des règlements ci-dessus mentionnés et situés dans le nord de ces provinces (c'est-à-dire dans les régions au nord de la borne sud du township 17, dans la province du Manitoba, au nord de la borne sud du township 47, dans la province de la Saskatchewan, et au nord de la borne sud du township 60 dans la province d'Alberta), un délai d'un an de la date du dit arrêté en conseil pour fournir la preuve qu'ils ont dépensé en travaux miniers sur ces concessions la somme requise par l'article 41 des règlements régissant la concession de claims de mines de quartz.

Et attendu que par un arrêté en conseil du 8 février 1916, le délai accordé par l'arrêté en conseil du 11 mars 1915 ci-dessus mentionné a été accordé pour une nouvelle période d'un an, c'est-à-dire jusqu'au 11 mars 1917 ; et

Attendu qu'il a été représenté au Département de l'Intérieur que les difficultés rencontrées dans le développement des claims miniers dans les régions nord des dites provinces n'ont pas encore complètement disparu et que les propriétaires enregistrés d'un grand nombre de claims miniers dans cette partie du pays n'ont pu accomplir sur ces claims les travaux initiaux prescrits aux règlements pour la période de délai accordé ; et

Attendu que demande a été faite d'une courte période de délai additionnel pour compléter ces travaux ;

Par conséquent il plaît à Son Excellence le Gouverneur général en conseil, en vue des circonstances, de décréter par ces présentes ce qui suit :

Le délai accordé en vertu des prescriptions du dit arrêté en conseil du 11 mars 1915 est par ces présentes prolongé de 4 mois, c'est-à-dire jusqu'au 11 juillet 1917 inclusivement, pour que tous les claims miniers situés dans les parties ci-haut décrites des dites provinces où n'ont pas été complétés les travaux prescrits par les articles 41 et 42 des règlements régissant la concession des claims miniers de quartz sur les terres fédérales approuvés par arrêté en conseil du 13 août 1908, redevennent, le 12 juillet 1917, propriété de la Couronne, sauf cependant, ceux de ces claims dont les propriétaires sont exemptés en vertu d'un arrêté en conseil du 28 octobre 1914 se rapportant aux propriétés minières de personnes en service actif pour la défense de l'Empire dans la guerre actuelle.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qu'il s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00
- (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00
- (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00
- (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00
- (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00
- (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00
- (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00
- (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00
- (i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

Greffier des Communes.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU  
SÉNAT CONCERNANT LES BILLS DE DIVORCE.*Telles que révisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

*Avis de bills privés.*

## EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.
